The Christian Athletic League, Inc. youth baseball organization is run solely on the participation of parent volunteers. Your help is required in order to have a successful season. *We can't do it without you!* See any Board Member for information.

VOLUNTEERS: As described above, volunteers are essential to this League. Each team is responsible for providing volunteers throughout the season for the following tasks, which include but are not limited to: managers, coaches, team parents, pre-game field prep, post-game field clean up, post-game trash duty, snack bar duty, and scorekeepers. Your team manager will have a signup sheet with volunteer positions listed and we are counting on every parent to sign up for AT LEAST one position. Each team playing on Field 1 must provide one snack bar worker to serve during each game, starting 15 minutes before game through 15 minutes after game ends.

PLAYING AGE: Division eligibility is determined by a player's age on April 30, 2017. 9 year olds have the option of either playing in the Junior or Senior Division. It is always OK to be too young, never OK to be too old.

Junior Division: Ages 6*, 7, 8, 9.

Age 7 by April 30, 2017 but not 10 prior to May 1, 2017. Exceptions may be made for 6 year olds, see below.

Senior Division: Ages 9, 10, 11, 12, 13**.

Age 9 on or after May 1, 2017 and only those 13 year olds who were born in 2004 are eligible. Any 13 year old born on or before Nov. 4, 2003 is ineligible.

PROOF OF AGE: Legal proof of age is required. All new registrants must have a copy of a birth certificate or other legal proof of age. If a player previously registered for the 2017 Spring CAL Baseball season and has already submitted proof of age, a copy of their legal proof of age is not necessary.

***6-YEAR-OLD RESTRICTIONS:** All 6-year-old players must be experienced enough to play at a "Farm" level with a minimum of 2 seasons of prior baseball experience. If your 6-year-old doesn't meet these criteria, you (the parent) are required to assist in coaching the team in order to ensure a positive experience for all. In this case, a background check will also be required of you. **SIGNED PARENT AGREEMENT REQUIRED.** The Fall season is a good opportunity for players coming out of Tball to experience Farm level play before moving up next spring.

****13-YEAR-OLD RESTRICTIONS:** All eligible 13-year-olds or any 12-year-old that will turn 13 during 2017 is limited to pitching 6 outs per game or 2 innings per game. This restriction applies to ALL players on a team COMBINED who meet these criteria. The remaining 4 innings per game must be pitched by a player younger than 13 years old.

*****SPECIAL NOTE: No refunds of registration fee after August 1, 2017***
NO EXCEPTIONS**

****BACKGROUND CHECKS** are run on all volunteers who will work directly with the children. All managers, coaches, team parents, and board members must be LiveScanned for the League. All information will be kept confidential, and will not be shared or made public. Returning volunteers previously LiveScanned for CAL Baseball, who have continuously participated each season without leave since being LiveScanned, do not have to rescan for Fall 2017, your information will be updated automatically. If you have not been LiveScanned for CAL Baseball, or were previously LiveScanned but skipped a season as a coach or other volunteer, you will need to be LiveScanned to participate in the Fall 2017 season.**

VOLUNTEERS: Volunteers are essential to this League and your child’s team. PARENTS CODE OF CONDUCT

As a parent and player supporter, you play a special role in contributing to the needs and development of the children. Our main theme is for everyone to “Honor the Game”.

Through your encouragement and good examples, you can help assure that all the boys and girls learn good sportsmanship and self-discipline.

1. Children want to have fun! Remember that your child is playing the game, not you. It’s very important to let the children establish their own goals - to play the game for themselves. Take care not to impose your own goals and standards on them.
2. Children play for the fun of playing. Cheer positively for the things you like and encourage your team. But remember, too many voices may confuse your child. Let the coaches do the coaching and the umpires do the umpiring. Have fun!
3. Never put down the other team, one of your child’s teammates, or your own child.
4. The size of a baseball diamond and the continuous nature of the game seriously diminish the effectiveness of sideline coaching. Leave the managing and coaching to the managers and coaches.
5. The umpires are professionals, but they are also human. While their decisions may not always be agreeable to all, their decisions are final. No useful purpose is served by shouting disagreement or derogatory remarks. Such action could be cause for termination of the game, and result in a forfeit for your team.
6. Every year we have new managers and coaches. Each is volunteering to do a difficult job and mistakes will occur. Thank them for devoting their time and effort to teaching your child. Harassing the managers, coaches, or umpires is unwarranted and will not be tolerated.
7. Along with snack bar refreshments comes litter. We ask your help in keeping the fields neat and clean by disposing of the litter and all other trash properly.
8. City, school, and league policies prohibit the consumption of alcoholic beverages and smoking while on playing or practice fields. Please respect these rules. Smoking must be confined to the privacy of your personal vehicle.
